INTERVIEW SUMMARY

Sir:

In response telephonic interview with the Examiner, applicant submits the following interview summary:

REMARKS

Applicant submitted a Supplemental Amendment on September 9, 2008 amending the claims as suggested by the Examiner by incorporating the limitations from claims 4 and 15 into the independent claims. In response, a non-final Office Action was issued on October 8, 2008. However, it is unclear whether the claims filed with the Supplemental Amendment or the previous claims were examined.

The Office Action does not indicate whether the Supplemental Amendment was entered, however the Office Action summary form indicates that the Office Action is responsive to the communication filed September 9, 2008 and that claims 1-3, 5-14 and 16-38 are pending in the application. However, it is unclear which claims were examined because in section 9, on page 4 of the Office Action claims 1-4, 8-13, 15, 19-24, 26-33, 36 and 38 are rejected.

Applicant telephoned Examiner Woldemariam on October 14, 2008 in order to determine whether the claims of the Supplemental Amendment had been examined. Examiner Woldemariam was willing to issue a new Office Action examining the claims of the Supplemental Amendment.

Accordingly, applicant respectfully requests withdrawal of the Office Action of October 8, 2008, and issuance of a new Office Action examining the claims of the Supplemental Amendment.

Respectfully submitted,

Date: 14 October 2008
